The Convention Center is in an initial 2-year term that began 4-2-2013 with LifeTech Services, LLC to provide and schedule emergency medical technicians for public and private events at the Convention Center. Our emergency medical services are resold at an hourly mark-up rate and charges are applied to the client's master invoice. The original contractual amount for the 2-year term was \$80,000.00 and we have currently paid LifeTech Services, LLC \$79,940.51 due to increase emergency services requests and event bookings.
